Digital Answering System

- Excellent sound quality
- Playback through handset or base speakerphone
- Amplified up to 55 dB through handset and 30 dB through speakerphone
- 10 minutes of digital recording time
- Call Screening/Intercept - allows you to listen to incoming callers leaving a message without answering the call. To answer the call, simply pick up any phone on the same line.
- Remote Access - listen to your messages, change your outgoing announcement and more by calling in from any touch-tone phone
- Time/Day Stamp - announces the time and day of each message before playback.
